I'll Tell Me Ma - G

$\text{♩} = 240$

I'll tell me ma, when I go home, the boys won't leave the girl a-lone. They
 pull my hair, they stole my comb, and that's all - right till I go home.
 She is hand-some, she is pret-ty, she's the belle of Bel - fast ci - ty.
 She is cour - tin', one, two, three. Please, won't you tell me who is she?

Albert Mooney says he loves her, all the boys are fighting for her.
 They are knockin' on the door, and they're ringin' at the bell, saying 'Oh, my true love are you well?
 Out she comes as white as snow, with rings on her fingers and bells on her toes.
 Old Jenny Murphy says she'll die, if she doesn't get the fellow with the roving eye.

Let the wind and the rain and the hail blow high, and the snow come shovelin' from the sky.
 She's as nice as apple pie, and she'll get her own lad by and by.
 When she gets a lad of her own, she won't tell her ma when she gets home.
 Let them all come as they will, it's Albert Mooney she loves still!
